

In \_\_\_\_\_ as the parent of the \_\_\_\_\_  
student of the \_\_\_\_\_ primary school year, I communicate that I usually:

- We will come and get her
- Take the school bus
- Make use of the permanence service

However, I authorize my daughter:

- leave the school alone (or with an ESO / BTX sister) from the end of school hours.
- leave joined by the adult that we indicate in advance, with a note or a call to the secretary, in case we cannot come.
